

Travis County ARES - Mobile HF

Written by Administrator - Last Updated Monday, 18 October 2010 23:36

Here is a presentation on mobile HF radio installation by Lew Thompson, W5IFQ/AAA6TX. It was presented to the Austin Amateur Radio Club at the 10/2010 meeting. This one covers antennas, mounting, power and RF noise issues. It is a 4.7mb .pdf and may be downloaded [here](#)
