

Travis County ARES - National Traffic System

Written by Administrator - Last Updated Saturday, 03 March 2012 22:51

Scott McMullen, W5ESE presents the National Traffic System (NTS) and the process for message handling. This was a talk delivered to TCARES on 2/28/2012. The presentation is a 7mb .pdf file so it will take a moment to load. It [may be downloaded here](#) .
