

Travis County ARES - Radiogram via Amateur Radio

Written by - Last Updated Wednesday, 12 October 2011 23:21

This form is the blank ARRL radiogram to be filled out and sent digitally. It is modified in format to be used as an attachment to email. The document should only be opened or saved using Wordpad. More information on how to use this form is in the presentation on formal message handling under the presentations link. The form may be [downloaded here](#) .
